Memorandum No. ASP GBT 2020-14

6 March 2020

To: Dr Lee Neri, Deputy Director
ASP MS/MA Students

From: 
Grace Barretto-Tesoro, Ph.D.
Acting Director

Subject: Academic Supervisors

The role of the academic supervisor is to guide the students in selecting courses related to their field of research. Thus, it is important that all students have an academic supervisor.

The Deputy Director is the academic supervisor of all first-year students and all Diploma students.

Incoming second-year MA and MS students are required to write a letter addressed to the ASP Deputy Director, two weeks before the first day of the Registration for the First Term, requesting for a new academic supervisor. The student must indicate in the letter his/her chosen field of specialization. The Deputy Director in consultation with ASP Faculty members will assign the student to a new academic supervisor.

For your guidance.

Thank you.
